

Offer for cooperation of recruitment agencies

Are you looking for nurses, physiotherapists or trainees in health and nursing? In that case we are the right contact for you.

YFE GmbH, headquartered in Hamelin, is a recruitment company and places candidates from abroad (mainly from Kosovo, Serbia, Bosnia and Macedonia). Our focus is on health workers and nurses, physiotherapists, but also nursing trainees. We also help candidates with their professional recognition in Germany.

While in Germany, for example, a nurse has completed a three-year training course at a vocational school, southern European nurses study nursing science for four years.

The focus is on medical treatment care, the documentation and planning of care. The nurses from southern Europe are also trained in basic care and can be used in nursing facilities and in outpatient care. As a leading company, YFE GmbH takes care of the recognition process and accompanies the entire recruitment process from pre-selection to organizing language courses to starting work in Germany.

We calculate the fee for registered nursing staff, prospective registered nursing staff and trainees in the amount of 28% of the annual gross salary of the applicants plus statutory VAT in the event of a successful assignment. In addition, a one-off fee of €2,800.00 plus VAT will be charged as soon as the candidate has received their recognition/certificate.

If you wish, we will take over the candidate's apartment search with one-off costs of €2,380.00 plus VAT.

Do you have any further questions or have we aroused your interest?
